

INTRODUCTION

SAMWOO VALVE CO., LTD. (SWV) was established July 1997 in South Korea as a manufacturer and supplier of Valves. Our factory specializes in Butterfly Valve, High-Performance Butterfly Valve and Dual Plate Check Valve. With products conforming to standards such as KS, JIS, ANSI, ASTM, DIN and BLS, we provide customers with our best quotation and service.

Achieving major success in construction projects and supply contracts, SWV has become widely recognized for our expertise in providing a comprehensive range of products to Power Plant, Cogeneration, Petro-Chemical, Refining, Marine, Steel and Gas Plant, Dry Powder, Air Line, Food and Beverage, and Sugar industries.

SWV has been exporting to various countries including Vietnam, Singapore, Germany and Canada. Launching our Vietnamese office and factory in 2018, we have taken our next step into the global market to reach customers around the world.

With premium quality, technology and service, SWV will always stand by our customers.

SAMWOO VALVE
PRODUCTS

CL Series

Center Lined (Concentric) Butterfly Valve	
Size	DN 40 to DN 1200 (1 1/2" to 48")
Pressure Rating	ASTM 125 to 150 CLASS, DIN PN 6 to 10, JIS 5K to 10K
Face to Face	Conform to BS5155, ISO5752, MSS SP67, JIS B2032 and API609
PART NAME	MATERIAL
Body	Cast Iron / Ductile Iron / Carbon Steel / SS304 / SS316 / Aluminum Bronze
Disc	Ductile Iron (+Nickel Plated) / Carbon Steel (+Nickel Plated) / SS304 / SS316 / Aluminum Bronze
Seat	Rubber (NBR / EPDM / Silicon / Viton / Neoprene), Teflon (PTFE)
Stem	Stainless Steel (SS410 / SS304 / SS316)
* Please contact us for details regarding material or product specifications.	

HP Series

High-Performance Butterfly Valve	
Size	DN 50 to DN 1200 (2" to 48")
Pressure Rating	ASTM 150 to 300 CLASS, DIN PN 10 to 40, JIS 5K to 30K
Face to Face	Conform to BS5155, ISO5752, MSS SP67 and API609
PART NAME	MATERIAL
Body	Ductile Iron / Cast Steel / Stainless Steel / Aluminum Bronze
Disc	Cast Steel / Stainless Steel / Aluminum Bronze
Seat	Teflon / Carbon / Graphite / Peek
Stem	Stainless Steel (SS304 / SS316 / SS316L / SS630)
* Please contact us for details regarding material or product specifications.
